Security (Stock)	Quantity	B/S	(Buy/Sell)	Price Limit	Valid Until

The customer, understands and acknowledges that NCBA Investment Bank shall not be liable for any investment advice and opinion that NCBA Investment Bank may, at the customer's request offer on suitability, profitability or appropriateness of any security, investment, financial product or investment strategy to the customer based on market research and trends and shall hold NCBA Investment Bank free and harmless from any obligations, costs, claims, judgments, settlements or attachments arising therefrom.

We do not accept any cash in our offices. All cash deposits should be made at any NCBA Bank Branch into our NCBA Investment Bank bank account. The customer should then present the official NCBA Bank acknowledged deposit slip to us for receipting.

RISK WARNING

Equities carry risks brought about by the performance of domestic and/or global financial and economic factors. The customer acknowledges and understands the risk involved; including knowledge that due to the above factors, the value of the investment may go up but may also go down and therefore the customer may not get back the initial amount invested.
